

EVERGREEN

COMMUNITY NEWSLETTER

Vol. 1 September 1996

A New Beginning

WELCOME TO THE VERY FIRST issue of Evergreen, a monthly newsletter covering events within our community. Who is part of Evergreen? What are its borders and what *exactly* sets it apart from Roland Park? Well, this newsletter sets out to discover the answer to those questions and more.

Evergreen proper is a community within the bounds of Roland Park, but, most decidedly with a flavor and distinction wholly its own. If lore (and rumor) are correct, these three streets were established approximately 100 years ago by carpenters, mill workers, and visionaries who constructed the wider Roland Park region. The "employees", if you will, of the surrounding and wealthier homesteads. Certainly times have altered that fact, as now a great deal of diverse and characteristic wealth can be found *within* its borders.

This community has endured change and countless stories are within these homes. The breadth of the area to-date includes longtime homeowners, seniors, new families, couples, and students. Please share your stories with us, as we share ours, with the emergence of this newsletter.

Enjoy!,

Kristine Willett
